Scarecrows in the Square

Scarecrows are invading Marietta Square!

This is a great opportunity for your school or booster club to let your creativity take hold and have some fun! This event is part of

Harvest Square Arts & Crafts Festival October 16

Scarecrows will be judged on originality, construction, and presentation. You are urged to use a theme and name that fits your school or group's personality or celebrate Marietta's history with a historic Marietta figure!

Tips on Construction:

Give your scarecrow a sturdy "skeleton" so it will retain it's position. Use waterproof paint on the face and/or spray with waterproofing or a polyurethane coating. We prefer that your scarecrow be freestanding and/or attached to a tree or post with zip ties or cord. Do not put stakes in the ground. This could cause damage to the irrigation system. Do not use tape on the poles or fencing.

No registration fee for school organizations.

Open to city and county schools and school organizations.

Get your scarecrow in the program kick-off during "Marietta Reads!"

Scarecrows set up by: September 24

Judging for schools: September 29.

Prizes awarded: October 16, 1:45 PM before the

Scarecrows must be removed by November 2
